Day 2: Pyramids & the Egyptian Museum

Hello Cairo! Today, enjoy a guided visit to the famous pyramids and lion-headed Sphinx at Giza Plateau. Sole survivors from the ancient Greek-listed Seven Wonders of the World, the pyramids are the planet's oldest tourist attraction! Gaze in awe at Cheops (Khufu) - the largest of the three great pyramids. Constructed from over 2.5 million limestone blocks it is thought to have taken more than 20 years to construct. Whilst here, you can opt to enter inside one of the pyramids, subject to opening. Not built for the purpose of accommodating curious travelers, a visit inside one of the pyramids is hot, humid and not recommended for the claustrophobic! For a real Arabian experience, perhaps opt to hire a camel for a trot across the sands of Giza.

We later enjoy a guided visit at the Egyptian Museum. Prize exhibit has to be the priceless funerary treasures of King Tutankhamen, including his legendary solid gold death mask. Also during the visit you can choose to visit the Royal Mummy Room, where 9 royal mummies from the New Kingdom is displayed. Overnight - [Cairo](#) (B)

Day 3: Explore or relax

Free day to enjoy Cairo your way. Perhaps enjoy an optional Cairo city tour or a visit to the first pyramid ever built - Zoser's Step Pyramid at Saqqara. There are also plenty of cabs available from you hotel to take you into central Cairo. Perhaps check out the bargains at Khan el-Khalili bazaar. Overnight - [Cairo](#) (B)
